STAINMASTER®

PetProtect™ carpet

STAINMASTER® PetProtect® Carpet

Designed with unsurpassed durability and cleanability to let your pets be pets.

KEY BENEFITS

RESISTS PET STAINS

Built in stain protection resists difficult pet stains.

STAINMASTER® PetProtect® carpet is made using SuperiaSD™ nylon fiber with built in stain protection. Its locked in color also resists fading so it can be cleaned with powerful peroxide based cleaning agents for thorough cleaning of pet accidents.¹

RELEASES PET HAIR

Easily releases pet hair during vacuuming.

STAINMASTER® PetProtect® carpet easily releases pet hair during vacuuming, making vacuuming more effective which means less hair is left behind to end up on your clothes.

REDUCES PET ODORS

STAINMASTER® PetProtect® carpet, when installed with STAINMASTER® carpet cushion, reduces pet odors when cleaned.²

Installing STAINMASTER® carpet cushion under STAINMASTER® PetProtect® carpet helps keep pet accidents from soaking through the cushion and into the subfloor, allowing thorough cleaning and odor reduction.²

¹ Applies to domestic dogs and cats.

² Requires thorough cleaning; results based on independent lab testing. To realize this benefit, you must purchase STAINMASTER® carpet cushion.

EXCEPTIONALLY DURABLE

Because PetProtect carpet is made with SuperiaSD™ nylon fiber, it provides unsurpassed resistance to household foot traffic. This helps the carpet maintain its texture and original appearance.

SOFT COMFORT

Not only is the SuperiaSD™ nylon fiber used in PetProtect® carpet extremely durable, it is also very soft to the touch. This provides a level of elegance and comfort you may not expect from a carpet so durable.

LIMITED WARRANTIES

PetProtect® carpet carries the best pet limited warranty¹ offered by the STAINMASTER® brand with protection covering stains from urine, vomit and feces.

Plus, when STAINMASTER® carpet cushion is installed under your new STAINMASTER® PetProtect® carpet, your carpet limited warranty is extended. (See warranty brochure for details.)
