Applies to purchases on or after **January 1, 2019**. Warranties include labor except under the All Other Stains Limited Warranty. Labor is defined as the cost to remove and dispose of your existing STAINMASTER® carpet and install your replacement STAINMASTER® carpet. See warranty brochure for labor details. **To qualify for coverage under all limited warranties outlined in this warranty brochure, you must have had a hot water extraction cleaning performed by a trained, qualified carpet care professional, at least as frequently as every 18 months since the date of your carpet purchase. Failing to do so will void your warranty coverage.**

Footnotes:

¹ Limited to stains caused by pets.

² Labor costs are not included, and carpet costs are prorated. See warranty brochure for details.

³ Using a qualifying carpet cushion with a breathable moisture barrier, like STAINMASTER® carpet cushion, will extend your texture retention and abrasive wear warranties. In the U.S., carpet must be installed over cushion which meets the HUD UM 72a, Class 1 standards. (See warranty brochure for details).

WARRANTY MAINTENANCE

Warranty Requirement – Professional Carpet Cleaning

Consumers must have had a hot water extraction cleaning performed by a qualified carpet care professional, at least as frequently as once every 18 months from the date of their carpet purchase. Failing to do so will void their warranty coverage.

Warranty Requirement – Maintain Receipts

The customer will need to retain copies of their purchase receipt and all professional cleaning receipts to show that the carpet has been professionally cleaned at least once every 18 months from the date of purchase.

Registering the warranty

We encourage customers to register their warranty online at stainmaster.com/warranty. Warranty registration is recommended but not required to activate warranty coverage.

FILING A CLAIM

To file a claim you or your customer will need:

- Purchase date and installation dates
